Book Return Trolley with Key Lockable Lid

The key lockable lid prevents books being taken back out of the trolley before they are checked back in.

The locally engineered lifting platform ensures a smooth lowering of the internal platform as books are added through the return slot protecting your collection from damage.

As books are removed the platform will raise making returning books easy. This will help eliminate back strain from reaching down to remove books at the bottom of your returns box.

Outside unit dimensions 900mm H x 600mm W x 600mm D including castors.

Slot dimensions 375mm Wide x 75mm High
